

Covid Policy

Touring has changed since 2020, and we've changed with it. Your safety throughout your time with us is paramount. We've implemented many procedures which will give you confidence in your safety when with us.

Historic Edinburgh Tours were awarded the "We're good to go" certification from Visit Britain. This certificate shows that we use procedures which have been laid out by government and local authority policies. It was discontinued on April 1, 2022.

[Click here](#) to learn more about this certification, or the international equivalent (which we also have earned.)
